

ASCENT™ 40

NEFB40H – ELECTRIC FIREPLACE

FEATURES

UP TO 9,000 BTU'S • PLUG IN 110V • HARDWIRE 240V

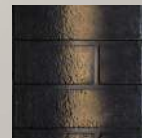

- 31 7/8" h x 40 1/4" w x 14" d
- Can be plugged in 110V or hardwired 240V, producing 4,500 BTU's and 9,000 BTU's respectively
- Warms up to 800 sq. ft.
- Integrated self diagnostic LED light indicates when any issues arise
- Fading logs and ember bed appear as a real "dying" fire when fireplace is turned off
- Non-reflective backing allows for optimal flame viewing and minimizes distracting room reflections
- ULTRA BRIGHT™ high power/high intensity LED lights can be seen in both a day or night setting
- NIGHT LIGHT™ features four color settings (blue, orange, purple and clear) and can be used as one static color or set to roll through the spectrum
- WHISPER QUIET™ fan and heater with modulating control that features a timer and can be set to Fahrenheit (°F) or Celsius (°C)
- Convenient remote controls the flame, ember bed intensity, blower and heater output, NIGHT LIGHT™ feature and timer
- Self trimming flange will complete the installation with no additional work cost
- Comes complete with the Aden mantel package from the Decor Series
